

## Version Change Details for version 3.1 of the NSHP CECPV Calculator

NSHP applications must use a version of the NSHP CECPV Calculator that is shown as “certified” on the date the NSHP application is postmarked (or date of submission for electronic NSHP applications). A table of certified versions of the CECPV calculator is maintained on the Energy Commission’s website.

### Version 3.1

Released October 2, 2012

- Incentive rates dropped per NSHP Guidebook, 4<sup>th</sup> edition
- No change to incentive calculation methodology
