

Version Change Details for version 4.0 of the NSHP CECPV Calculator

NSHP applications must use a version of the NSHP CECPV Calculator that is shown as “certified” on the date the NSHP application is postmarked (or date of submission for electronic NSHP applications). A table of certified versions of the CECPV calculator is maintained on the Energy Commission’s website.

Version 4.0

Released April 19, 2013

- No change to incentive calculation methodology
- Table added for all possible incentive rates per the NSHP Guidebook, 6th Edition.
- Additional PV modules and inverters
